

Information

In connection with new restrictions, obligations and bans introduced by the Government in Poland due to epidemic state, a limitation of hotel activity was introduced until 29 November 2020. The only case in which an accommodation service may be provided is to provide accommodation for guests who use these services as part of a business trip referred to in Article 77⁵ § 1 of the Act of 26 June 1974. - Labour Code, or a journey performed in connection with activities related to the performance of a business activity or being a medical professional within the meaning of Article 2, section 1, subsection 2 of the Act of 15 April 2011 on medical activity or patients and their caregivers, if the need to provide them with accommodation results from the conditions specified for a given healthcare provision. Therefore, the following declaration indicating the reason of your stay in the hotel is the condition of making a room available (of performing the service by the hotel).
